Karen Curry

Office Manager

I have been a proud member of the Hamer team since 1986. Dr. Hamer creates a beautiful smile which is life changing for many of our patients. Dr. Hamer has a strong commitment to his patients and family. When I'm at home I enjoy spending time with my husband and three boys.

SMILE

DID
YOU
KNOW?

Babies are born with the ability to smile. Babies learn a lot of behaviors and sounds from watching the people around them, but scientists believe that all babies are born with the ability, since even blind babies smile.
